JUDGMENT

This writ petition is filed to give direction to the Subordinate Judge's Court, Neyyattinkara to dispose of O.S.79/2001 within a time limit to be fixed by this Court. Learned counsel for the writ petitioner, in fairness, submits before me that a document has been sent for expert opinion and the court has not yet received the report of the expert. It is also submitted by him that the document was sent for expert's opinion as early as on 2003. Therefore, it is necessary that some steps are taken to receive the expert's opinion and the Subordinate Judge's Court, Neyyattinkara is directed to address the said expert to send the report as expeditiously as possible stating about the urgency of the matter as well as the direction of this Court. The Subordinate Judge is directed to send a letter to the finger print expert to submit his final opinion within a period of two months and on obtainment of the same, the court shall try to dispose of the matter as expeditiously as possible and not later than four months from that date. Writ petition is disposed of accordingly.
